JAYRIDE OVERVIEW

Outperforming the travel recovery

Jayride is building the world-leader in rides for travellers, globally

Key Facts

Covering 95% of world airport trips

World's largest selection of ride-service brands

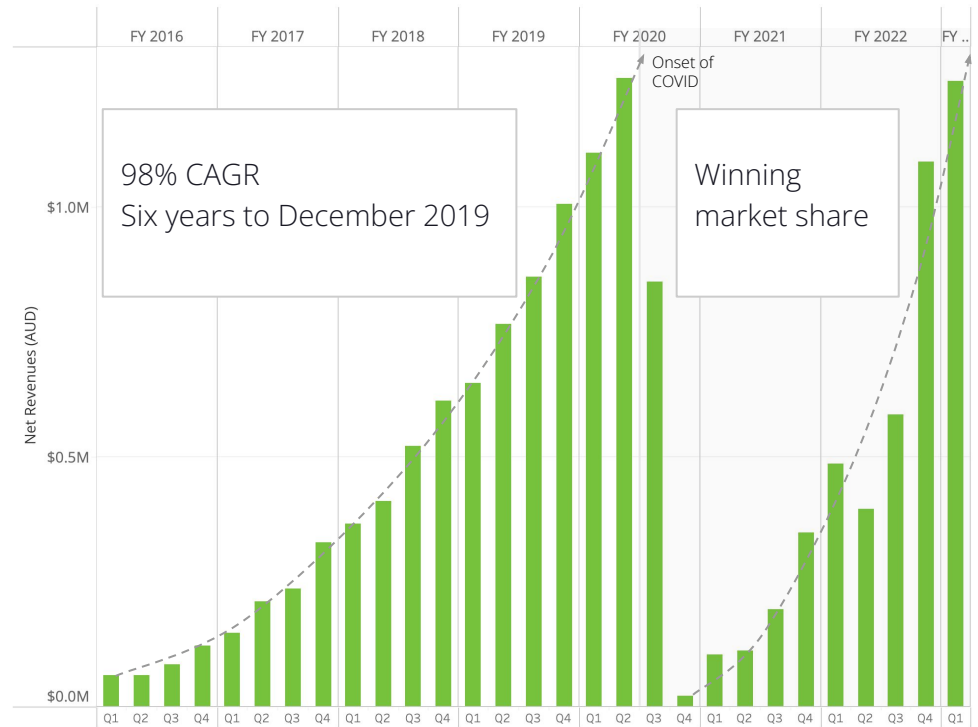

\$30M+ invested in scaling tech platform

In partnership with the world's leading travel brands

- Travel technology company at an early stage in a long-term growth trajectory – scaling towards 10M+ trips per year
- Winning market share in a large and growing global market
- Highly-scalable capital-light model with negative working capital
- Positioned to benefit from multiple growth tailwinds including structural changes in travel, a superior product offering, and ongoing international tourism recovery, incl Asia reopening

Net Revenues

The world's leading travel brands and ride-service brands use Jayride

TRIPS GROWTH ACCELERATING

Fastest trips growth rate, above pre-pandemic levels, with growth continuing into FY23.

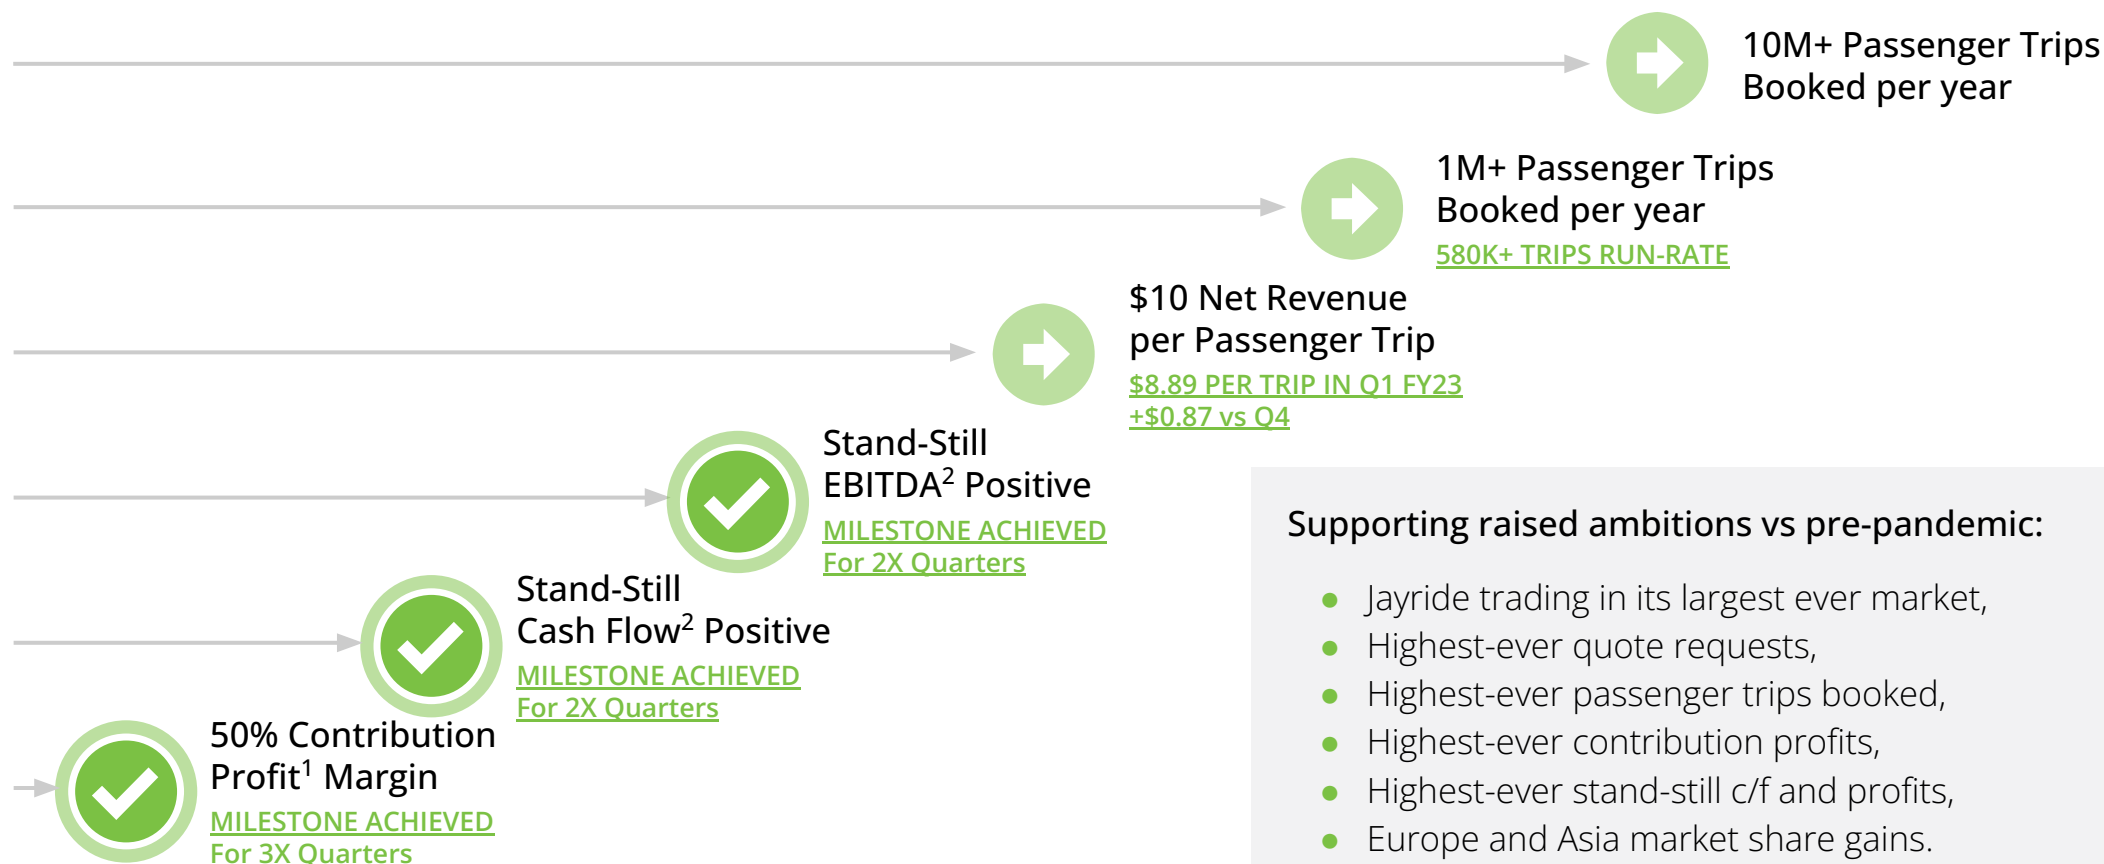

- Trips exceed pre-pandemic levels – **outperforming travel recovery** with market share gains – growth set to continue,
- Europe destinations expanded to multiple of pre-pandemic levels, **Asian destinations already exceeding pre-pandemic**,
- **Major tailwinds** – international tourist arrival growth continuing, destinations reopening to international travellers right now,
- Growth towards 250K trips per quarter at **\$10 net revenue each** makes Jayride c/f +ve.

MAJOR MILESTONES BEING DELIVERED

Jayride is achieving major milestones including stand-still EBITDA positive, towards millions of trips booked per year.

Achieving major new milestones beyond recovery – Significantly above pre-pandemic levels.

1. Contribution profit is net revenue minus all variable costs, including cost of customer acquisition and variable operating costs such as customer support.

4 2. Stand-still cash flow and stand-still EBITDA are cash flows and profits after the operating costs of the Company, excluding the cost of long-term growth investments and capex.
