Financial Statements and Reports

Financial Statements and Reports – Financial Year Ended 30 June 2018

The Corporations Act requires the Financial Report, Directors' Report and Auditor's Report for the past financial year to be tabled before the Annual General Meeting, and the Company's Constitution provides for such reports to be received and considered at that meeting. Neither the Corporations Act nor the Company's Constitution requires a vote of shareholders at the Annual General Meeting on such Reports. The Annual General Meeting provides a forum for shareholders to ask questions and make comments on the Company's reports and accounts and on the business and operations of the Company for the year ended 30 June 2018.

In addition, at the meeting, shareholders may ask questions of the auditor in relation to the following:

- the conduct of the audit;
- the content of the auditor's report;
- the accounting policies adopted by the Company for the preparation of the financial statements; and
- the auditor's independence in relation to the above items.

Shareholders may view the Company's 2018 Annual Report on the Company's website: www.jayride.com/investors.

Resolution 1: Non-binding resolution to adopt the Remuneration Report

In accordance with Section 250R(2) of the Corporations Act a resolution that the Remuneration Report be adopted must be put to a vote at the Company's Annual General Meeting. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's 2018 Annual Report and is also available from the Company's website.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of executives and the Company's performance;
- sets out the remuneration arrangements in place for each director and for certain members of the senior management team; and
- explains the difference between the bases for remunerating non-executive directors and senior executives, including the Chief Executive Officer.

If the Resolution 1 receives a 'No' vote of 25% or more of the votes cast at the meeting, the Company's 2019 Remuneration Report will include a report on actions taken by the Board in response. The Board will take the outcome of the vote, even if less than 25% 'No' into consideration when reviewing the Company's remuneration policy. As this is the Company's first annual general meeting, there has not been a 'No' vote of more than 25% in any past years.

Election of Directors

Resolutions 2 to 6: Ordinary Resolutions for the Election of Andrey Shirben, Zhongyuan Lin, Samuel Saxton, Yifat Shirben, and Jamila Gordon as Directors of the Company

This Annual General Meeting is the first annual general meeting since becoming a public company in 2017 and being admitted to the Official List of the ASX in 2018. Accordingly, Article 58.1.1 of the Company's Constitution requires that all Directors, except the Managing Director, stand for re-election by Shareholders. Accordingly, Chairman, Andrey Shirben, and non-executive Directors Zhongyuan Lin, Samuel Saxton, Yifat Shirben, and Jamila Gordon are standing for re-election at this Annual General Meeting. Rodney Bishop, as Managing Director, is exempt from the requirement to stand for re-election at this Annual General Meeting.

The full bios of all Directors standing for re-election including their qualifications and experience is set out in the 2018 Annual Report.

Employee Incentive Scheme

Resolution 7: Adoption of Employee Share Scheme

Resolution 7 is a resolution to establish an Employee Share Scheme (an **ESS**). At present, the Company has the ability to issue Long Term Incentives to employees through the Jayride Employee Option Plan established prior to the Company's admission to the Official List of the ASX. The Company does not currently have a formal means of issuing Short Term Incentives to employees other than through payment of cash incentives. However, cash payment of incentives does not align the interests of employees with those of Shareholders. Accordingly, it is proposed that the Company establish an ESS which will be constituted by the Jayride Employee Share Trust Deed.

If Resolution 7 is passed by Shareholders, the Company will be able to issue shares under the ESS to employees, consultants, and other persons eligible to participate in the ESS without seeking further shareholder approval for the next three years pursuant to Listing Rule 7.2 Exception 9. Subject to the approval of Resolution 7, this ESS will be the first ESS established by the Company following listing. Accordingly there have been no Shares issued under an ASX Listing Rule compliant ESS in the past.

Shareholders may request a copy of the Jayride Employee Share Trust Deed by contacting the Company Secretary at corporate@jayride.com.

A summary of the terms of the ESS and the Jayride Employee Share Trust Deed is as follows:

Terms	Description
Eligibility	<p>Only an Eligible Person may be invited to participate in the ESS. An Eligible Person includes a director, an employee, an associate of an employee, or other persons who are considered to be eligible with respect to the relevant taxation legislation governing employee share schemes.</p> <p>Pursuant to the Listing Rules, a director may not participate in the ESS without specific shareholder approval.</p> <p>If an Eligible Person is identified by the Board or management to participate in the ESS, the Company will direct the Trustee to invite the person, who may then accept such invitation and will then be issued interests under the ESS. Upon acceptance, that person becomes a Participant of the ESS.</p>

Jayride Group Limited
ACN 155 285 528

Terms	Description
Operation	<p>In effect, the Company will issue a pool of securities to the Trust, which will later be allocated to Participants determined by the Company's management by the issuance of one Share Unit in the Trust for every Share they are entitled to. Provided that there are no vesting or performance conditions which remain unmet, the Participant may seek the cancellation of the Share Unit which will result in them receiving the Shares or other cancellation benefit as provided for by the ESS.</p> <p>The proposed ESS provides the flexibility to management to ensure that the Company can tailor specific packages for employees that align their interests with that of all shareholders, and ensure that the Company is able to offer remuneration consistent with market trends and expectations in the growth technology sector.</p>
Vesting or Performance Conditions	<p>The Board may in its sole discretion determine any vesting or performance conditions that will apply to the offer of any interests under the ESS in line with the Company's remuneration policies.</p>
Number of Shares	<p>The number of Shares to be offered under the ESS will be determined by the Board in its sole discretion from time to time. However, the Jayride Employee Share Trust Deed and the relevant ASIC Class Order places limitations on the maximum number of securities which may be issued under all the Company's employee incentive schemes (being the existing Employee Option Plan, and subject to the passing of Resolution 7, the ESS).</p> <p>The Company cannot issue further Shares under the ESS, where the total Shares issued under the ESS or the Employee Option Plan in the past three years relying on ASIC Class Order CO 14/1000 exceeds 5% of the issued capital of the Company at the time of the proposed issue of Shares under the ESS.</p>
Trustee	<p>Upon establishment of the ESS, Royal Exchange Nominees will act as the Trustee of the Jayride Employee Share Trust and accordingly will effectively 'manage' the scheme. Royal Exchange Nominees is a company controlled by the Company Secretary, who will discharge the obligations of the Trustee under the ESS.</p> <p>The Company reserves the right to remove Royal Exchange Nominees as Trustee and appoint any other person as Trustee pursuant to the Jayride Employee Share Trust Deed.</p>
Rights of Unit Holder	<p>A Participant who holds Share Units will be entitled to direct the Trustee on how to vote in the event of a meeting of the Company's shareholders as if the Participant held the Shares directly. Similarly, in the event of a dividend or other income declared to holders of Shares, the Participant will be entitled to receive any such income as if they held the Shares directly.</p>

Directors Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 7 as the ability to issue Shares under the ESS will allow the Company to continue to attract and retain industry leading talent across its operations by being able to remunerate in line with market expectations, and align key performance indicators of employees to long-term shareholder wealth.

Regulatory Information for Resolutions 8 to 13

(a) Regulatory Framework

Corporations Act: Chapter 2E of the Corporations Act requires that for a public company to give a financial benefit to a related party (including directors of the Company), the company must obtain approval of members in the manner set out in Sections 217 to 227 of the Corporations Act and give the benefit within 15 months following such approval unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act. Having considered the circumstances of the Company and the Directors as required by section 211 of the Corporations Act, the Directors rely on section 211 and confirm that, in their opinion, the granting of the Performance Options to Directors represents reasonable remuneration to the Directors, and accordingly, the Company does not seek shareholder approval pursuant to Chapter 2E of the Corporations Act.

Listing Rules: Listing Rule 10.11 requires that the Company seek shareholder approval to be obtained for the Company to issue securities to a related party of the Company (including directors of the Company). The Company accordingly seeks shareholder approval pursuant to Listing Rule 10.11 for Resolutions 8 to 13. Pursuant to Listing Rule 7.2 Exception 14, the passing of Resolutions 8 to 13 will not require separate shareholder approval pursuant to Listing Rule 7.1.

(b) Compliance Information

In compliance with Listing Rule 10.13, the Company provides the following information with respect to Resolutions 8 to 13:

- (i) The persons proposed to be issued securities and the maximum number of securities being issued are:
 - a. Andrey Shirben (or their nominee) – 300,000 Performance Options
 - b. Zhongyuan Lin (or their nominee) – 300,000 Performance Options
 - c. Samuel Saxton (or their nominee) – 300,000 Performance Options
 - d. Yifat Shirben (or their nominee) – 300,000 Performance Options

- (vii) A voting exclusion statement applies to Resolutions 8 to 13 to prevent the Directors or their associates from voting on the respective resolutions where they or their associates have a relevant interest.

However, upon the exercise of the Performance Options by the Directors, the Company will raise a maximum of \$2,295,000 which if raised will be applied towards working capital of the Company.

Directors Recommendation

The Directors do not make any recommendation to shareholders on Resolutions 8 to 13 as a result of their material personal interest in the matters considered.

Share Placement Capacity

Resolution 14: Additional 10% Placement Capacity

Resolution 14 is a special resolution for the approval of an additional 10% placement capacity for the Company to issue securities without shareholder approval pursuant to Listing Rule 7.1A. This provides the Company with a higher level of flexibility to undertake capital raisings, to complete acquisitions, or other corporate actions involving the issue of equity securities by the Company.

(a) Regulatory Framework

ASX Listing Rule 7.1 prohibits a listed company from issuing equity securities representing more than 15% of its issued capital in any twelve-month period without obtaining shareholder approval (subject to certain exceptions). However, ASX Listing Rule 7.1A allows a company to seek shareholder approval at an annual general meeting to have the capacity to issue an additional 10% of its equity securities in the same class as an existing quoted class of securities. If approved, the issuance capacity is available for twelve-months following the annual general meeting at which the approval was obtained. An eligible entity for the purposes of ASX Listing

Jayride Group Limited
ACN 155 285 528

Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

If Resolution 14 is approved as a special resolution then the Company, within 12 months after shareholder approval, may issue an additional 10% of the Company's issued capital as fully paid ordinary shares (being the only quoted class of Jayride securities at present) calculated in accordance with the formula in ASX Listing Rule 7.1A.2 which is as follows:

$$(A \times D) - E$$

Where:

- A = the number of fully paid ordinary securities on issue 12 months before the date of issue or date of agreement to issue:
- (i) plus the number fully paid ordinary securities issued in the last 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid ordinary securities that became fully paid within the last 12 months;
 - (iii) plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under ASX Listing Rule 7.1 or 7.4 (this does not include an issue of fully paid shares under the equity's 15% capacity without shareholder approval);
 - (iv) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under ASX Listing Rule 7.1 or 7.4.

(b) Compliance Information

In compliance with Listing Rule 7.3A, the Company provides the following information with respect to Resolution 14 :

- (i) The minimum price at which equity securities may be issued under the Listing Rule 7.1A capacity will be calculated in accordance with Listing Rule 7.1A.3 which requires that the issue price be no less than 75% of the volume weighted average price for securities in the same class as the security being issued, calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - a. The date on which the price at which the securities are to be issued is agreed; or
 - b. If the securities are not issued within 5 trading days of the date in paragraph a., the date on which the securities are issued.
- (ii) If Resolution 14 is approved by shareholders and the Company issues equity securities under the 10% Placement Facility, existing shareholders economic and voting power in the Company will be diluted as shown in the table below. There is a risk that:
 - a. the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this approval under rule 7.1A; and
 - b. the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of the equity securities.

- (iii) If Resolution 14 is approved by Shareholders, the approval to issue securities under this capacity per Listing Rule 7.1A will cease upon the earlier of:
 - a. The date that is 12 months after the date of the Annual General Meeting at which the approval is gained, being 28 November 2019; or

Jayride Group Limited
ACN 155 285 528

- b. The date of the approval by Shareholders of a transaction under Listing Rule 11.1.2. or 11.2, being a significant change to the nature or scale of the Company's activities, or the disposal of a main undertaking.
- (iv) The Company may seek to issue securities under this capacity for the following purposes:
 - a. For non-cash consideration: including but without limitation for the acquisition of new assets or investments. In the event that securities are issued for non-cash consideration, as required by Listing Rule 7.1A.3, the Company will provide a valuation of the non-cash consideration which demonstrates that the issue price of the securities does not breach the minimum thresholds set out in Listing Rule 7.1A.3 and summarised above.
 - b. For cash consideration: as the Company continues to pursue growth opportunities and expand its global footprint, the Company may seek to raise capital using this additional capacity. Funds raised may be applied towards working capital, for funding acquisitions or investments, or other opportunities identified by the Directors.

The Company will ensure it remains compliant with its disclosure obligations under Listing Rule 7.1A.4 and 3.10.5A upon the issue of any securities under this capacity.

- (v) The allocation policy of the Company will be dependent upon the prevailing market conditions at the time of any proposed issue of securities under this capacity. The identity of any allottees will be determined on a case-by-case basis having regard to various factors including without limitation:
 - a. the alternate methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - b. the effect of the issue of the securities on the control of the Company;
 - c. the financial situation of the Company; and
 - d. advice from corporate, financial and broker advisers (as may be applicable from time to time).
- (vi) As at the date of this Notice, the Company has not identified any allottees proposed to be offered securities under this placement capacity but may include new or existing investors who are not Related Parties or Associates of Related Parties of the Company. In the event that the 10% capacity is utilised for the purpose of conducting an acquisition, the allottees will be the vendors (or their nominees) of the acquisition target. At present, no such acquisition target has been definitively identified by the Company.
- (vii) The Company has not previously sought shareholder approval under Listing Rule 7.1A.
- (viii) A voting exclusion statement applies to this Resolution 14.

The following table sets out the possible dilution of existing shareholders of the Company on the basis of the market price of the Company's securities of \$0.38 on 22 October 2018 and on the issued capital of the Company at 22 October 2018 as the variable "A" per Listing Rule 7.1A.

For personal use only

The above table makes the following assumptions:

- (i) All securities have been issued under the 10% capacity and the Company has issued the maximum number of equity securities available under the 10% capacity
- (ii) The dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue
- (iii) The table only shows the effect of issues of securities under Listing Rule 7.1A and does not consider the 15% capacity the Company has under Listing Rule 7.1 nor the Company's ability to issue securities without shareholder approval under the exceptions in Listing Rule 7.2

Directors Recommendation

The Directors recommend Shareholders vote in favour of Resolution 14 as it will allow the Company the flexibility to undertake capital raisings, to complete acquisitions, or other corporate actions involving the issue of equity securities by the Company in the interests of all Shareholders.

Voting Information

Pursuant to Regulation 7.11.37 of the Corporations Regulation 2001 (Cth) the persons eligible to vote at the Meeting are those who are registered Shareholders at 7.00 pm (Sydney time) on 26 November 2018.

Voting in person: To vote in person, attend the Meeting at the time, date and place set out above.

Voting by proxy: To vote by proxy, please complete and sign the enclosed Proxy Form and return it in accordance with the instructions set out in the Voting form so it is received no later than 7.00 pm (Sydney time) on 26 November 2018.

Pursuant to section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes each proxy may exercise, then in pursuant to section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

If a Proxy Form is signed by an attorney, the original or a certified copy of the power of attorney or other authority under which the Proxy Form is signed must be provided to the Company's share registry in the manner specified in the Proxy Form by no later than 7.00 pm (Sydney time) on 26 November 2018.

Voting by corporate representative: A Shareholder or proxy which is a corporation and entitled to attend and vote at the Meeting may appoint an individual to act as its corporate representative to vote at the Meeting. The appointment must comply with section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or

her appointment and lodge it with the registration desk, unless it has been previously provided to the Company's share registry by the time and in the manner specified in the Proxy Form.

Voting by attorney: Pursuant to Article 54.1 of the Company's Constitution a Shareholder entitled to attend and vote at the Meeting is entitled to appoint an attorney to attend and vote at the Meeting on the Shareholder's behalf. An attorney does not need to be a Shareholder. The power of attorney appointing the attorney must be signed and specify the name of each of the Shareholder, the Company and the attorney, and also specify the meeting(s) at which the appointment may be used. The appointment may be a standing one. To be effective, the power of attorney (or certified copy) must also be returned in the same manner and time as specified for Proxy Form or otherwise lodged at the registration desk on the day of the Meeting.

Key Management Personnel: The Chair of the meeting may vote an undirected proxy (ie. a proxy that does not specify how it is to be voted), provided the shareholder who has lodged the proxy has given informed consent, in the form of an express voting direction to the chair to exercise the undirected proxy, even if the resolution is connected with the remuneration of a member of Key Management Personnel (**Informed Consent**). The Company recommends that shareholders consider the following options to ensure the validity of their votes:

- that shareholders direct proxies on a remuneration related resolution instead of leaving them undirected; or
- that shareholders nominate a proxy who is not a member of Key Management Personnel or any of their Closely Related Parties to vote on a remuneration related resolution; or
- that shareholders who wish to vest their undirected proxies in the chair on a remuneration related resolution ensure that they follow instructions provided on the proxy form in order to provide Informed Consent.

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
